[View Online](#)

This list acts as an introduction to materials related to A.L. Rowse (1903-1997) held within the Archives and Special Collections at the Penryn Campus. By their very nature as rare, unique or specialised items, these materials are often a little harder to locate, and this list aims to highlight items that you might not otherwise have immediately come across. Our Archives & Special Collections are available for use by staff, students and members of the public by appointment on Level 0 of the Exchange on the Penryn Campus. Further details of how to access specific materials can be found within this list.

The A L Rowse Archive is available at the University of Exeter's Streatham Campus (EUL MS 113 - Papers of A L Rowse: research, literary and personal manuscripts).
